SOCIETY OF FIRE PROTECTION ENGINEERS-*Greater St. Louis Chapter since May 14, 1961* EIN: 436061824

A not-for profit technical and professional organization, SFPE is the international clearinghouse for fire protection engineering information. The Society's goals are to advance the science and practice of fire protection engineering and its allied fields, to maintain high ethical standards among its members, and to foster fire protection engineering education.

In the NEWS

April Meeting Synopsis

Our speaker for April is Laura Frye, from Door Hardware Institute on the Importance of Fire Doors. This presentation will cover the importance of fire doors and common areas where doors fail their annual fire door inspection. Please join us!

2021 Greater St. Louis Science Fair

Science Fair will be E-Fair again, so we will judge the fire protection related projects virtually. **Monday April 26** is the date for judging. You can go in and look at projects in the afternoon and then we meet up by Webex to discuss and vote. Anyone interested in virtual judging, let me know. Sheila.demand@aon.com

2021 SFPE Golf Outing – Save the Date!

Our Annual SFPE Golf Event will be **Thursday September 16th**. The start time will be a shot gun start at 12:45pm. Please plan to attend and support our scholarship fund!
