### SOCIETY OF FIRE PROTECTION ENGINEERS-*Greater St. Louis Chapter since May 14, 1961* EIN: 436061824

A not-for profit technical and professional organization, SFPE is the international clearinghouse for fire protection engineering information. The Society's goals are to advance the science and practice of fire protection engineering and its allied fields, to maintain high ethical standards among its members, and to foster fire protection engineering education.

## In the NEWS

### November Meeting Synopsis

Our speaker for the November will be Jason Singh from United Fire. Jason will be discussing fundamentals of steel corrosion, causes and types of corrosion, consequences of corrosion in sprinkler piping, and countermeasures to prevent corrosion.
