SOCIETY OF FIRE PROTECTION ENGINEERS

A not-for profit technical and professional organization, SFPE is the international clearinghouse for fire protection engineering information. The Society's goals are to advance the science and practice of fire protection engineering and its allied fields, to maintain high ethical standards among its members, and to foster fire protection engineering education.

In the NEWS

October Meeting

Our speaker for the September Meeting is our own Ben Brooks, Ross & Baruzzini presenting a summary of the 2016 National SFPE Conference. He will be presenting an overview of items covered at the national SFPE conference. Since the new/updated by-laws from last year there have been some revisions to the committees. I will discuss those changes; summarize commissioning of systems, human behavior, and other topics.

2016 SFPE Golf Outing

The SFPE Golf Outing was Thursday Sept. 15, 2016. Thanks to all who participated or volunteered! Many thanks to **Victaulic** (<http://www.victaulic.com>) is our event sponsor this year.
